POSITIONS OF RESPONSIBILITY

I've been event management head for and year in my college society. It was a really great experience.

TRAININGS

Top performer (Core Java Training)

Verified and added by Internshala Trainings

React Native

Coursera, Online

Sep 2020 - Sep 2020

React native was quick similar to React JS. It was fun. And made a great mobile app.

React Js

Coursera, Online

Aug 2020 - Aug 2020

React Js is a great framework. Project made was super smooth.

Core Java

Internshala Trainings, Online

May 2020 - Jun 2020

Successfully completed a six weeks online certified training on Core Java. The training consisted of Getting Started with Java, Leveraging Basic Concepts, Object Oriented Programming and Java App Development modules. I scored 95% in the final assessm ent and was a top performer in the training.

PROJECTS

Restaurant website

Sep 2020 - Sep 2020

I used React Js to create this project. Its a single page application so proper navigation was a great concept. I used json server.

TechBlog

Aug 2020 - Aug 2020

TechBlog is a platform where coders and various creative people share their thoughts and experiences. I used Jsp Servlet to create this project. Other technologies were html css jquery bootsrap and java. I also used jdbc to connect to mysql.

Connect 4 desktop game

Jul 2020 - Jul 2020

For this connect 4 game i used java Fx. Using screenBuilder was a great experience.

E commerce

Jun 2020 - Jun 2020

Made an ecommerce website using servlet , jsp.
Used jdbc to connect to mysql.
Created proper login and signup page using connection to mysql.
Also i made my project beautiful using html , css , bootsrap .
